CODY CLARK & JOSH MANNINO

July 29, 2011
Hotel Roosevelt
New Orleans, La.

THE COUPLE Inspired by the bride's family's musical history (her mother produced Natalie Cole, Aretha Franklin and other legends), the Atlanta-based couple chose *The Big Easy* for their big day.

THE DETAILS A Legendary Event orchestrated all the elements, ranging from the bride's bouquet of cotton and vintage brooches to a line parade welcoming guests into the ballroom.

THE PARTY Guests danced late into the night to beats by Figure Eight Enterprise and sampled cake displayed atop a custom table that was crafted to match the bride's gown. —PW
